

Dreame H11 Core

Wet and Dry Vacuum

H11 Core easily handles wet and dry messes on tile, wood, and other hard floors while functioning as a wet and dry vacuum. Equipped with an upgraded brush head, H11 Core cleans not only along the baseboards but also cleans into hard-to-reach corners to 6mm. Enjoy your cleaning routine using H11 Core that does not miss any patches of flooring. While powered on, H11 Core continuously sprays fresh water, keeping the brush roller clean and preventing the spread of dirty water. Simply press the button for H11 Core to initiate automatic cleaning.

Key Selling Points

To-the-edge design for deep cleaning.

Equipped with an upgraded brush head, H11 Core cleans not only along the baseboards but also into the hard-to-reach corners to 6mm*.

*Based on tests in Dreame's lab. Actual performance may vary depending on the real-world environment and usage.

Tackle wet & dry messes.

We provide two modes to customize your cleaning needs, making handling wet and dry messes easier. Eliminate dirt, dust, debris, hair, spills, and grime with powerful scrubbing and robust suction.

One-press Self-Cleaning.

Put the vacuum on the base and press the button to rinse the brush thoroughly. Self-cleaning capability detangles hair and scrubs off dirt to ensure you're cleaning with a clean brush.

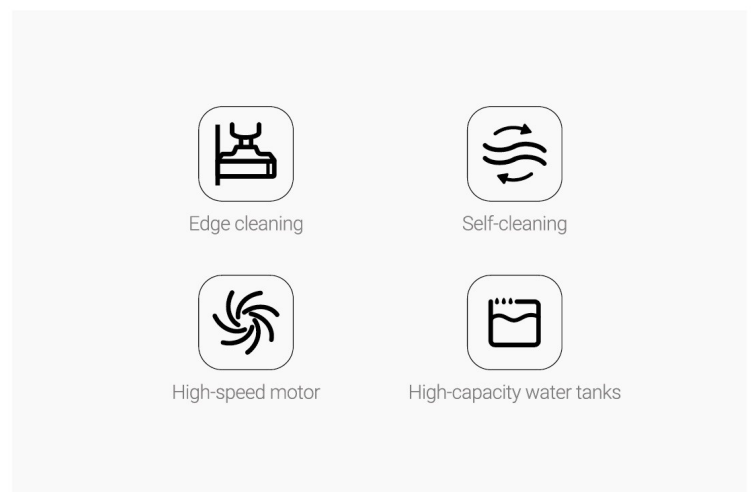

Rinse with fresh water.

Wash your floors with a consistent fresh water flow. Our vacuum continuously spray fresh water to clean the brush roller and prevent it from pushing around dirty water, allowing the brush roller to stay clean as long as you need.
